

Launch of 2022 EmployerOne Survey to Learn About Local Business Needs

The Labour Market Group of Renfrew and Lanark (LMG) has launched its annual EmployerOne Survey in Renfrew and Lanark Counties. The survey will be open from January 4th through to February 18th 2022 and targets Renfrew and Lanark businesses in order to identify their workforce needs and challenges. While there have been multiple provincial and national surveys, this is the only labour market survey providing local information to inform local services and job seekers.

This EmployerOne Survey provides an important opportunity to gather comprehensive and detailed workforce information from a variety of industries in Renfrew and Lanark Counties. The survey serves as a vehicle for employers to express their needs on a range of issues, such as the impact of the COVID-19 pandemic on their business, workforce turnover, and current and future skills needs. The survey can be accessed through the following www.employeronesurvey.com
